

Foil Dinners

Create a bed of coals in a fire pit and prepare a 12"x18" (approximate) sheet of aluminum foil

Grease the center of one side of the foil with butter

Break up a hamburger patty and place it on foil, along with desired vegetables and cheese

Season with onion soup mix, salt and pepper

Bring ends of foil together and roll inward into a sealed packet

Place on coals for 7-10 minutes per side. Use tongs to flip the packet and remove from the fire
